

Ms. Elianaso Elimbinzi

Assistant Lecturer

Ms. Elianaso is the Assistant Lecturer at the Mkwawa University College of Education, Iringa Tanzania. Elianaso completed first degree in B. Sc. Ed at the University of Dar es Salaam in 2009, Masters of Science in Chemistry at the University of Dar es Salaam in 2013. She is a chemist basing on physical chemistry whose research aimed on the synthesis of catalysts. She is pursuing PhD at the University of Dar es Salaam with the title 'Development of Heterogeneous Acid and Base Catalysts'. Her research areas of interest are catalysis, material sciences, and porous materials synthesis.
