

Ms. Lucy Kassian Msigwa
Assistant Lecturer

Ms. Lucy is an Assistant lecturer at Mkwawa University College of Education in the faculty of Humanities and Social Science, Tanzania. She pursued both BAED and MSc (Natural Resources Assessment and Management) at the University of Dar es Salaam in Tanzania. Ms. Lucy also attended a post - masters programme in Climate Impacts Research Capacity and Leadership Enhancement (CIRCLE) visiting fellow hosted at Makerere University in Kampala, Uganda.

Ms. Lucy's research focuses on natural resources management and climate change adaptation in agriculture. Currently, she is a prospective Doctorate student of the University of Dar es Salaam in Tanzania for the academic year 2018/2019.

Ms. Lucy teaches Geography courses including Natural Resources Management and Remote Sensing. Before joining university teaching, Lucy worked shortly as a teacher at Loleza Secondary School in Mbeya-Tanzania.
